

Event information

Public opinion

In the run-up to the supervisory conference, we'll ask you for your opinion on current financial market issues via our conference platform. The results of this survey will be presented and discussed during the conference.

Expert Corner

FMA experts will present the FMA's Innovation Lab and new communication channel "Let's talk about supervision" between 10:30 and 14:00 and will be happy to answer your questions.

Virtual microphone

Do you want to ask a question during the speeches and podium discussions? Use the virtual microphone feature on our conference platform.

Livestream

To allow everyone to have the chance to follow the conference, the event will be streamed live. The livestream will be available on the FMA's website landing page at www.fma.gv.at.

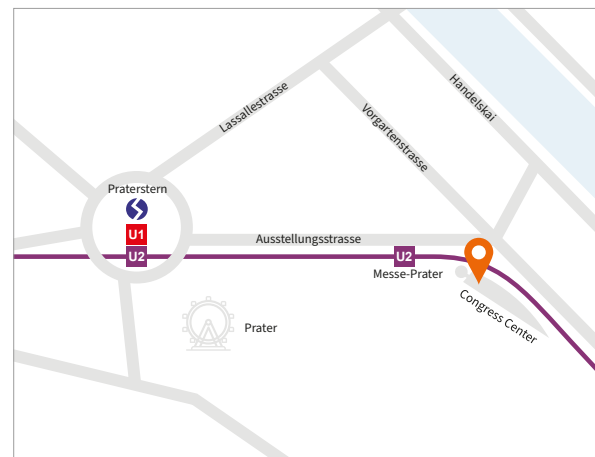

Environmental sustainability

Together with our hosts Messe Wien Congress Center we endeavour to hold the supervisory conference in accordance with the Austria EcoLabel for Green Meetings. We would ask you to support us in this objective, and for example to travel to the supervisory conference by public transport, and to avoid and separate any waste.

You can find further information on our conference platform, at:
