

Information about the event

Public opinion

In the lead-up to the supervisory conference, we would like to find out your opinion about current financial market issues via our conference platform. The results of this survey will be presented and discussed during the course of the conference.

Expert corners: “Ask the FMA” and “Let’s talk about money”

Have you got a question about current supervisory issues regarding DORA? At the “Ask the FMA” corner you can talk directly to FMA experts. The “Let’s talk about money” expert corner will show the FMA’s contribution toward preventing investment fraud and informing consumers about all kinds of financial issues.

Virtual microphone

Do you want to ask a question during the speeches and podium discussions? Use the virtual microphone, which you can access using the QR code.

Live stream

To allow everyone to have the chance to follow the conference, the event will be streamed live. The live stream will be available on the FMA’s website landing page at www.fma.gv.at.

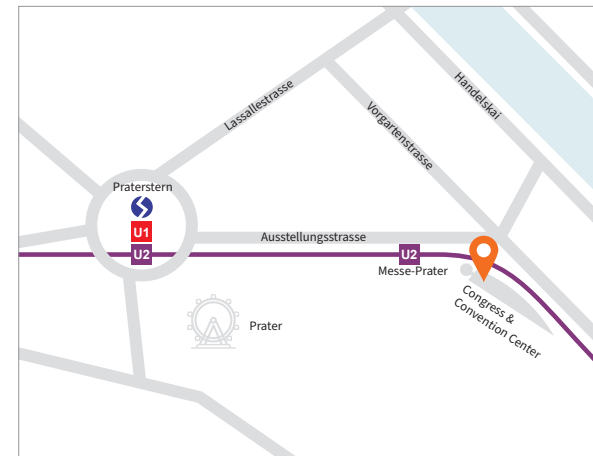

Green Meeting: FMA Supervisory Conference

Together with our hosts Vienna Congress & Convention Center we endeavour to hold the supervisory conference in accordance with the Austria EcoLabel for Green Meetings. We would ask you to support us in this objective, and for example to travel to the supervisory conference by public transport, and to avoid or separate any waste.

Further information can be found on our conference platform at:
